Strategic Commercial Development Opportunity – Barbeque Downs, Midrand

Address: 11 Dytchley Road, Barbeque Downs, Midrand, 1685

Erf Size: 4.2474 ha (42,474 m²) | Zoning: “Special” – City of Johannesburg Land Use Scheme (2018)

A Rare Development Parcel in Gauteng’s Premier Growth Corridor

This is a rare and exciting opportunity to secure one of the last large, commercially zoned sites in the high-demand Barbeque Downs/Midrand area. Ideally located between Johannesburg and Pretoria and minutes from Waterfall City, Mall of Africa, and the Midrand Gautrain Station, this site is primed for impactful, future-forward development.

The property is fully fenced, township-proclaimed, and consolidated — offering a clean slate for developers to move ahead with speed and confidence. With versatile “Special” zoning, the site allows for a wide range of high-utility commercial, institutional, and mixed-use applications.

This zoning provides the flexibility modern developers need to adapt to market demands and trends.
